Justice K. S. Hegde

Smt. Meenakshi Hegde

Shri Kowdoor Sadananda Hegde, was born in Kowdoor village of Karnataka state, completed his early education in Karkala and Mangalore. Obtaining a degree in Economics from Presidency college, Madras and a degree in law from the Government Law College, Madras, he began legal practice at Karkala in 1936. He later moved to Mangalore, and was appointed as the Public Prosecutor of South Kanara District in 1948. He was elected as Member of the First Council of States (now known as the Rajya Sabha).

In 1954, he represented India at the General Assembly of the United Nations. He then became a Judge of the Mysore High Court. In 1966, he was then appointed as the first Chief Justice of the Delhi and Himachal Pradesh High Court. He held this office till he was elevated to the post of Judge of the Supreme Court of India in 1967.

A man of integrity and strong values, Justice K.S. Hegde resigned from his post in 1973, in protest against the supersession of senior judges in the appointment of the Chief Justice of India. In 1977, he won the elections to the Lok Sabha and was elected Speaker of the Lok Sabha, an office he held until 1980.

After a distinguished career spanning over four decades, justice K.S. Hegde retired from public life and settled at Nitte to relentlessly work towards the upliftment and empowerment of the rural community. He passed away on May 25, 1990. Always in pursuit of truth and excellence of human endeavour, Justice K.S. Hegde began a journey of exploration that continues with Nitte Education Trust.

Education Trust:

Nitte Education Trust is recognised as one of the finest educational institutions in Karnataka attracting students from all over India and the world. The trust was established in 1979 by Justice Kowdoor Sadananda Hegde, the first Chief Justice of the Delhi and Himachal Pradesh High Court and 8th Lok Sabha Speaker from 21st July 1977 to 21st January 1980, with the aim of providing holistic and quality education to the student community. The venture has been an innate process of evolution of the wider vision and commitment of the trust to develop their educational activities into a major project in order to serve the country.

The Trust has a Medical Sciences Complex at Deralakatte, Mangaluru and two well developed campuses at Nitte and Bengaluru. The Trust is a pioneer in the field of education. Under the banner of the trust there are more than 42 institutions which include Nitte Deemed to be University and Institutions of Higher Education like Engineering, Management, Medicine, Dental, Pharmaceuticals, Paramedical, Higher Education and several other schools

PROF. N.R. SHETTY

ADVISOR, NITTE EDUCATION TRUST

President, Indian Society for Technical Education, New Delhi, is the guiding spirit in the continuous success of Nitte Group of Institutions, Bangalore. He is also Vice-President of International Federation of Engineering Education Societies (IFEES), Washington D.C, USA and President of Forum of Former Vice-Chancellors of Karnataka State universities. He also served as Vice Chancellor Bangalore University for two terms.

A warm welcome to you on behalf of all at NSFTID.

NSFTID represents the very best of what an institute can be - a diverse community of talented people who enrich our society through education, research and service. NSFTID's extraordinary students are simply the best of the best they come from every walk of life and share a commitment to excellence and to the embodied. Our world-class faculty includes many who are the top scholars in their fields. They are actively engaged in teaching and research because they love learning and discovery. Our talented staff provides the critical infrastructure without which we could not fulfill our mission.

DR. SANDHYA RAVI

PRINCIPAL, NSFTID

Greetings and welcome to NSFTID

Education in India has seen a drastic change and has the career choices. At the same time, careers in the creative sector seem to be exploding as Designers are forming a part of virtually every industry segment today.

In recent years Designers drew further public attention, and has therefore emerged as a main stream career options. Social tendency has changed towards the pursuit of the quality of life rather than the quantity. The design industry also has changed its tendency towards Envision, Imagine, Collaborate, Plan, design and make are words that capture what you'll be doing at "NSFTID", and also to save both the natural resource and cultural assets. NSFTID's mission is to provide our graduates with quality education and design skills for an exemplary professional practice to be globally competent and socially responsible citizens; who will serve, enrich and sustain their professions and communities of Fashion and Interiors.

It is our sincere desire to preserve these values for generations to come. To achieve such directions, we will introduce more rational elements; maintain the educational standards improving curriculum and the college environment. We have nationally and internationally acclaimed faculty members who bring forth right mix of industry- academic experience. NSFTID is actively involved in their pursuit of creating and disseminating knowledge through teaching, research and training for promoting multi-disciplinary learning of Fashion as well as Interior Design. In our endeavor to develop, NSFTID will remain steadfast in its attempts to improve the quality of life and herald in renewed initiative of co-creation.

I am delighted that you are considering joining a creative career stream with NSFTID. You will discover that studying at NSFTID will provide an immersive, focused, and deeply connective context to art, design, fashion, interiors and architecture. NSFTID campus represents a very vibrant, dynamic, and distinctive community of under graduate students. You will be able to examine and engage in some of the multiple roles of artist, designers, and decorators and change leaders in the world, and to consider from different perspectives and position. NSFTID promises to transcend horizons, to go beyond the average, to put in that extra mile, and to extend beyond the ordinary. I invite you to join us in this journey.

About the College:

Nitte School of Fashion Technology and Interior Design (NSFTID) was established in 2016 at Bengaluru under the aegis of Nitte Education Trust, with an aim of achieving academic excellence and cater adequate knowledge and skills in Fashion and Interior design to interested community. NSFTID is one of the best Fashion Technology and Interior Design College in Bengaluru that has witnessed tremendous growth in academics in a very short span. The College is affiliated to Bengaluru City University and has MoU's with foreign institutions and councils. The college is located in a lush green environment and has a world-class infrastructure with fully equipped laboratories that facilitates complete learning. The campus invites scores of national and international students that diversifies the cultural exposure. The campus is located in the sprawling 24 acres with green garment all around, benefits student community for innovative and creative thinking. We at NSFTID have great ethical values in imparting knowledge and also have all the modern standards of an educational system to equip our students to bring a positive change in the society and contribute to nation building.

Vision

Our vision is to empower students through all round holistic development to be globally responsible citizens.

Mission

Our mission is to provide quality education and Design skills for exemplary professional practice to be globally competent and socially responsible citizens.

Aim

To prepare students to develop strong thinking while exploring their own creative focus for innovative designs.

Objective

- To develop focus and depth in one or more disciplines of design
- To inculcate independent thinking and learning to find information and to demonstrate critical thinking.
- To blend knowledge and skills in the conceptualization of creative expression and to take part as responsible and ethical citizens of diverse community.
- To provide social, cultural, musical, recreational and sporting facilities to enable each of our students to realize their academic and personal potential while at college.

Nitte School of Fashion Technology and Interior Design has a rich ecosystem that supports creativity and innovation. Students are coached not only to absorb current knowledge but are encouraged to become entrepreneurs, ideate, create innovative products & share creative thinking.

Students and staff have created an innovative environment to create and transfer knowledge. NSFTID encourages various research activities, imparts knowledge with hands-on training, executes skill-based projects using the latest of tools, techniques, design software's and infrastructure.

Students refer to a host of material available at our Library and online repositories – the National Digital Library, Z-Library, INFLIBNET, National and International Journals. Students are motivated to create new trends in fashion and interior segments. NSFTID has nine state-of-the-art laboratories to assist students in Textile Testing, Textile Wet Processing, Draping, Advanced Pattern Making and Sewing, Illustration/Design, Fiber and Yarn Processing, CAD, Terracotta, Ceramic and Product Development. These labs are equipped with latest of equipment and software to benefit students without costs to develop designs and models during their tenure at NSFTID. The college assists students in branding and marketing their products under the brand name 'AURORE', on campus to develop and inculcate entrepreneurial skills.

Students assisted by the faculty, undertake Projects, Internships and Model Making. Several skill-based activities throughout the year encourages student's scientific temperaments, their innovative and entrepreneurial skills. The Fashion Club & Design Club at NSFTID holds Project Exhibitions, Guest Lectures, Workshops, Seminar/Webinars, Add-on programmes and Presentations to encourage students be involved in research related activities. These enable students to challenge contemporary issues in fashion and interior fields, with impetus being given towards Sustainable Designs.

Understanding Social responsibilities and holistic development are an integral part of a student's development at NSFTID, aligned to Nitte's vision and mission.

Students at NSFTID involve themselves in ethical, moral activities, practice social values and graduate as responsible citizens. The faculty, NSS, NCC & YRC units at NSFTID actively engage students in extension activities and sensitize them towards social values. Student clubs execute community driven initiatives in the vicinity.
